"Having seen so much of the world myself, I've realised how little I have seen of our own home! It's time that we enjoy our beautiful isles, and what better way to do it than a cruise?"

This trip is perfect if you're brand new to cruising, a single traveler, want to see more of Britain, or if you would simply appreciate a trip with some great company! Myself and Paul can't wait to share this magnificent journey with you."

Cruise with Confidence!

How do you travel with greater certainty in uncertain times? Flexibility. Book this cruise and should you need to cancel up to 30 days before, you will receive a Future Cruise Credit for any cancellation fees and a refund of additional funds received to the original payment method. Final payment is due 60 days before departure instead of Princess' usual 90 days.

Adding to the peace of mind, Princess Cruises will only require a £50 deposit per person.

Need a lift?

Roughly a month before departure we will look at organizing optional home pick-up and drop-off for anyone in the area! Pricing is competitive as transfers are shared and it's a great way for those who haven't joined one of our escorted departures before to acquaint yourself with fellow passengers!

Crown Princess

Crown Princess can take 3000 passengers when full, however we predict that the ship will not be at full capacity due to the strict health and safety procedures put in place to protect passengers onboard.

There is an array of restaurants to choose from included in the price, although if you wanted to treat yourself there are some delicious specialty dining options too! Entertainment is also in abundance. Onboard you can find plenty of activities including a theatre, casino and cinema. No matter how you like to spend your evenings there is something for everyone, whether you enjoy a delicious cocktail at a bar with quiet piano music in the background, or even the Skywalkers Nightclub if you want to dance the night away!

Watch the below video for a glimpse into the remarkable experience we will have onboard!
